### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: Applicants' independent claims 22 and 47 (and the claims dependent thereon) have been allowed because JP 08-164,338 A does not teach or suggest that the zeolite contains from 0.02 to 2 weight percent palladium. Applicants' independent claims 34 and 37 (and the claims dependent thereon) have been allowed because JP 08-164,338 A does not teach or suggest that an additional catalyst is used for the removal of N<sub>2</sub>O. Applicants' independent claims 36 and 46 have been allowed because JP 08-164,338 A does not teach or suggest that an additional catalyst is used for the removal of methane. Applicants' independent claim 53 (and the claims dependent thereon) have been allowed because JP 08-164,338 A does not teach or suggest that the zeolite is loaded with scandium, yttrium, lanthanide or a combination thereon and optionally other metals after having been loaded with palladium by ion exchange. Applicants' independent claims 60-62 have been allowed because the Applicants have persuasively shown that the particular selection of yttrium provides for good and unexpected results - as set forth in Example 7 in the instant specification.

Any comments considered necessary by Applicants must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### **OATH/DECLARATION**

The oath or declaration filed on Mar. 10, 2008 is defective because the reference to this application as a CIP of 09-905,486 appears to be an error. The subject matter of 09-905,486 does not appear to have anything to do with the instant invention. Also, the date that the inventor Mr. Van Den Brink signed the oath is missing.

**RESPONSE TO 116 AMENDMENT**

The 116 Amendment filed on July 21, 2008 has been entered.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to **TIMOTHY C. VANOVY** whose telephone number is (571)272-8158. The examiner can normally be reached on Mon-Fri 8-4:30.
